<sup>1</sup> Full- and part-time spaces may be included in these figures because some provinces cannot provide break-downs. Where possible, however, figures have been given for full-time spaces only.

<sup>2</sup> This figure includes school-age spaces which are under the aegis of the Ministry of Education.

<sup>3</sup> This figure includes all spaces in non-CPE centres which may be for-profit or non-profit.

<sup>4</sup> This figure includes centre-based spaces run by municipalities.

<sup>5</sup> Totals do not include New Brunswick. Therefore, the sum of non-profit and for-profit spaces in this table does not equal total spaces in centres in Table 9.
