1 Off-reserve child care centres and family child care agencies serving Aboriginal families are available in some provinces/territories. Refer to ABORIGINAL CHILD CARE section of each province/territory for details. In addition, see ABORIGINAL ECEC for further information.

2 This represents an unlicensed kindergarten centre.

3 Four centres are currently approved by the Department of Family and Community Services and applications are pending for two others.

4 Provincial funding is available through agreements between the federal government and Ontario and Alberta. See individual provinces for more information.

5 On-reserve child care centres are eligible for federal government funding equivalent to parent subsidies if provincial licensing standards are met.

6 These figures represent all centres in the two territories.

7 There are no reserves in YT so information refers to child care operated by Aboriginal communities.
